RE: Zimmerman Road Extension of the Town of Fallsburg  
Consolidated Water District

Dear Kirk:

We have reviewed the New York State Department of Health (NYSDOH) review letter dated November 17, 2017 for the above project and offer the following to supplement your response to the NYSDOH. The item numbers correspond to the NYSDOH review letter.

4. As you are aware, the detail for the meter vault is included with the project plans which were a separate submission to the Town. However, since the acceptance of the plan the Town has selected a Badger Meter in place of a Sensus meter. Attached please find a revised detail.
8. Attached please find a revised Specification Section 33 11 13 with the revised formula.
9. Attached please find Specification Section 33 13 00.
10. The attached Specification Section 33 11 13 is revised as requested.
11. Attached please find Specification Section 33 12 13.
12. Attached please find Specification Section 01 40 00.

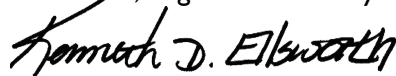

The following Specification Sections are also attached as they are referenced in the above Specifications.

01 30 00	31 10 00
01 33 00	31 20 00
01 60 00	31 23 17
01 70 00	

Please contact our office with any questions.

Very truly yours,

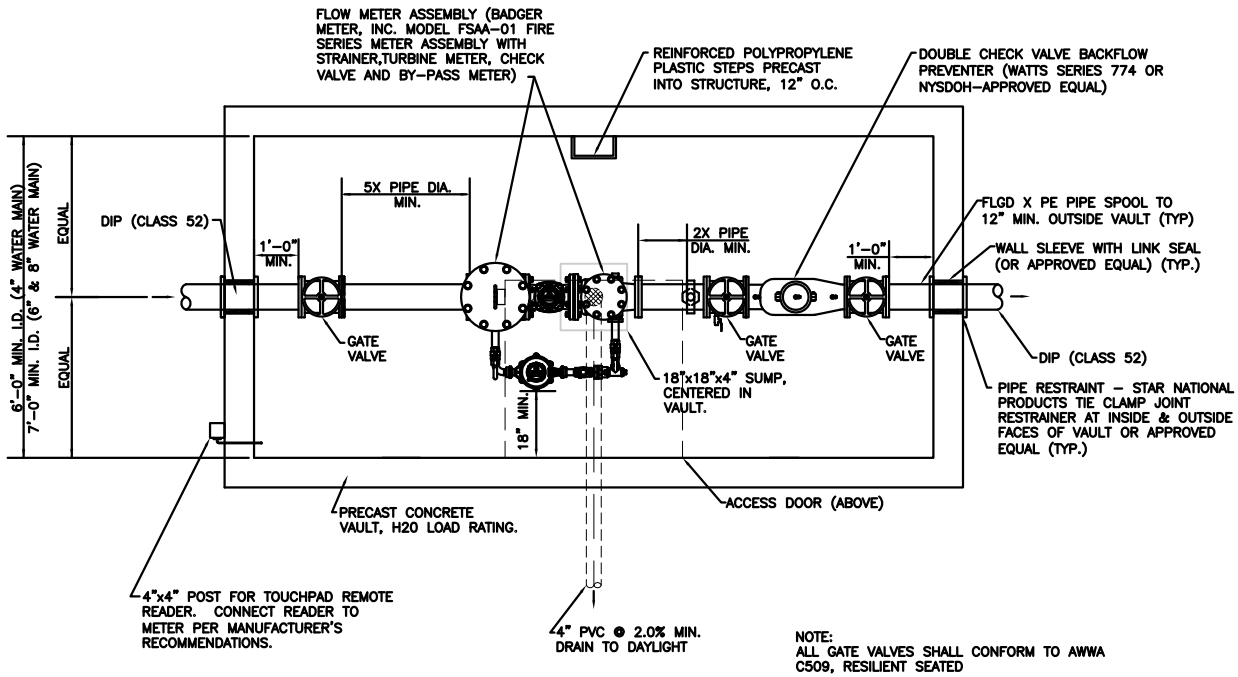

Keystone Associates  
Architects, Engineers & Surveyors, LLC
