**Subject:** The Orchards Well #4

Mollie,

As discussed over the phone this morning, our office is reviewing the revised water system plans for the Orchards project. The recent submitted plan shows that the proposed future Well #4 location is in between the Road A and Road C, which is at the same location indicated on the 8/9/16 plan approved by our office on 8/12/16.

Should you have any questions, please do not hesitate to contact me.

Thank you,
