Re: Zimmerman Road Water Main Extension
Fallsburg WHO-LS-SF
(T) Fallsburg, Sullivan County, NY

Dear Mr. Rother:

The New York State Department of Health, Monticello District Office has completed review of the most recently revised engineering plans, report, and technical specifications for the above referenced project. The engineering report dated November 7, 2017, engineering plans dated November 18, 2017, and the Technical Specifications dated December 2017 were approved on this day February 27, 2018.

The above referenced documents received on December 19, 2017 included a single copy which will be retained for our records. If you require a copy of those documents with our signed approval stamp, please provide additional copies at your earliest convenience.

Included with this correspondence is a copy of Form DOH-1017 *"Approval of Plans for Public Water Supply Improvement"*.

Your attention is directed to the conditions of approval. In order for this approval to remain in effect, all conditions must be adhered to.

If you have any questions concerning this approval, please contact me at 845- 794-2045.

Sincerely,

Glenn D. Illing, P.E.
Professional Engineer I
